Principal Designate

The Thetford Academy will:

- Provide aspirational educational opportunities for all the young people of secondary school age in Thetford and work seamlessly with the town's primary schools and other children's service professionals to deliver outstanding services to benefit all families in the town.
- Be literally at the centre of the community with an exciting new town centre building complementing buildings on the sites of the two predecessor schools.
- Enjoy the support of a wide range of businesses, voluntary sector and community groups as well as its sponsors.
- Be at the centre of an ambitious agenda which will address decades of educational underachievement and related deprivation in the town.

The Academy Principal will provide direction and leadership to ensure that the highest possible standards are achieved within the Academy whilst also playing a high profile role within the community.

The lead sponsor of the Academy is Wymondham College - an outstanding state maintained boarding school. The co-sponsors are Easton College and West Suffolk College with Norfolk County Council. All the sponsors are committed to working with the Academy Principal to bring about real transformation in the life chances of young people in Thetford.

This is a re-advertisement. Previous applicants will automatically be reconsidered.
